

Neways Cleansing Tea®

*Internal cleansing for gastrointestinal health**

Description

Gastrointestinal health ultimately contributes to overall health and wellness. As the gastrointestinal tract is cleansed, it plays an important role in digestion, thus promoting healthy bodily function.*

However, many people have irregular bowel movements, and lackluster bowel function is detrimental to overall gastrointestinal health. At any given time, the average individual carries several pounds of waste within the intestinal system.

Ultimately, colon cleansing is an area you cannot overlook in your quest for total body health. That's where Neways Cleansing Tea comes in.* Neways Cleansing Tea features a proprietary blend of botanical ingredients to cleanse your colon. Plus, Neways Cleansing Tea has been newly reformulated with hibiscus and papaya, traditional natural ingredients.

As part of a total cleansing and rejuvenation program, Neways Cleansing Tea is formulated to specifically remove buildup in your intestinal tract and provides a natural and powerful means of eliminating waste. Its natural herbs provide relief as they cleanse.*

Enhance your gastrointestinal health with Neways Cleansing Tea.*
