

it's purple. it's powerful. it's perfect.

AÇAÍ

ACTION™

Drink the Power
of the Purple

Açaí Action Delivers Energy
and Endurance*

When it comes time for an energy boost, you don't want a pick-me-up that's packed with synthetic ingredients and refined sugars. Those give you a quick buzz and then cause you to crash. You want **natural energy**—energy from a supplement that's packed with the building block ingredients **your body needs to produce energy**. And that's what you get in Açaí **Action**—natural energy.*

it's purple

Open a bottle of Açai Action and step into the rainforest of the Amazon, where one of the most nutritionally dense berries on the planet thrives. Then drink a bottle of Açai Action and pour the rainforest into you—the purple acai super-fruit was born from eons of evolution, and nature designed it to deliver a rush. That's why Açai Action juices your day with high-voltage energy and endurance.*

it's powerful

In addition to the amazing purple berries, Açai Action features green tea as well as a natural energy blend of guarana, and vitamin B1—the raw materials to give you a boost.*

Combined with the acai fruit, the proprietary blend in Açai Action provides energy and increases alertness while delaying the onset of fatigue. It also supports healthy metabolism and the body's thermogenic process and energy expenditure.*

The Açai Action formula also gives you the juices of pear, apple, grape, plum, pomegranate, blueberry, kiwi, and apricot.

it's perfect

Açai Action naturally ramps up the energy your body needs to function, move, and think. It all adds up to an energy-filled, more focused time and a boost in your metabolism. And unlike most store brands, Açai Action is a non-carbonated beverage with all natural sweeteners and no artificial colors.*

Each bottle of Açai Action powers your mind and body with a myriad of benefits:

benefits

- Natural energy boost*
- Delays fatigue*
- Increases alertness*
- Supports the body's energy expenditure*
- Supports healthy metabolism*
- Supports the body's thermogenic process*
- Vitamin B1 is a nutrient that helps production of energy from carbohydrates and maintenance of healthy skin and mucous membranes*

benefits

- Non-carbonated beverage with all natural ingredients
- Only 80 calories and no artificial sweeteners or colors
- Single serving bottle is perfect on-the-go

it's purple. it's powerful. it's perfect.
