**VMM®**

*Breath easy*

**Description**
Getting ready for colder weather shouldn’t mean checking your personal-day balance at work. With VMM®, you can support your respiratory system and your immune health to get ready for the winter season.*

VMM’s concentrated herbal extracts are specifically designed to support respiratory health and assist the body in its natural immune defenses. Formulated with mullein, thyme, hyssop, and Irish moss, VMM® supports the respiratory system. In addition, this unique blend includes echinacea and ginseng to support the immune system and additional ingredients to support circulatory health and provide antioxidant protection.*

VMM® works with the body to support your health all year long. This powerful herbal formula gives health-conscious individuals a way to stay ahead of seasonal changes and challenges.*
